A HOMELESS PREVENTION SUPPORT CENTER

## *Rebuilding Lives—A Campaign for Shelter* **Commemorative Gift Opportunities**

A commemorative gift is a permanent and highly visible tribute to your commitment to help “rebuild lives” by creating a shelter and support center for homeless individuals and families in our community. Opportunities for naming include honoring a person/family, corporation or foundation. We invite donors choosing a naming opportunity to share an inspirational quote or wish for future shelter clients to be posted alongside their named gift in the new center.
