Culinary Volunteer: UnBagged Lunch Program Guidelines

Modified Due to the Current Covid-19 Crisis

The Light House distributes approximately 100 meals daily to our residents and community clients who are in need of food. Meals are available at any time for anyone who comes to our doors hungry. This program is supported solely through donations provided by volunteers and it is a critical need for The Light House.

PLEASE NOTE: The Light House is no longer serving the lunch in brown paper bags and asks that volunteers refrain from packing sides, water and sandwiches together. Volunteers should **only assemble the sandwiches offsite and wrap them in individual sandwich bags.** The Light House does not have the storage capacity to store assembled lunches. Only volunteers that have registered through the Sign-up Genius to drop off meals will be allowed on site. There are 3 slots, 25 meals per slot and maximum of 75 meals per day.

DROP-OFF GUIDELINES:

PLEASE DROP YOUR LUNCHES OFF AT THE LIGHT HOUSE BY 7PM THE DAY BEFORE YOU ARE SCHEDULED.

For the safety of staff and residents, please wear a mask while on Light House property, and follow our contactless donation guidelines listed below.

- **Items can be delivered between 7am-7pm at our 10 Hudson Street, Annapolis location.** We ask that all donations of food or supplies be brought to the back door of The Light House, ring the doorbell and the RA at the front desk will speak through the intercom acknowledging the drop-off and will collect the items after you have left.
- We host a drive-thru pantry on Tuesdays and Thursdays from 10am-1pm. Please note this can cause a back-up on Hudson St. and can make the parking lot impassable. Please plan to drop-off donations outside of this time.
