LIGHT HOUSE CLOTHING DRIVE

NEW Hats, Waterproof Gloves, Socks & New or Gently Used Winter Boots

We need your help!

Every year, from October through March, The Light House provides hats, gloves and socks to our community's most vulnerable through Safe Harbour Resource Center and Carol's Community Closet. This year, we will again distribute items through our Walk-Up Pantry and Open-Air Market.

WHAT ARE WE ACCEPTING?

- We are seeking donations of these items for men and women.
- **Hats, waterproof gloves, and socks must be in new/ original packaging.**
- **Winter boots can be either new or gently used.**
- Please refrain from donating children's items at this time.

DONATION PROCEDURES

- Masks are required while on Light House property.
- Items can be delivered between 9am-5pm Monday-Friday and 9am-3pm Saturday & Sunday, at our 10 Hudson Street, Annapolis location.
- We ask that all donations be brought to the front door of The Light House, ring the doorbell and staff at the front desk will speak through the intercom.
- Please note: We host a Walk-Up Pantry and Open-Air Market on Tuesdays & Thursdays from 10am-12pm, Wednesdays from 12pm-2pm. This can cause a back-up on Hudson St. and can make the parking lot impassable. Please plan to drop-off donations outside of this time.

Thank you for being a light for our neighbors struggling with homelessness!

FOR QUESTIONS, PLEASE EMAIL VOLUNTEERS@ANNAPOLISLIGHTHOUSE.ORG.
